December-January Are Last Two Months For Filing For 1972 Wool Payments

January 31 is the latest date on which 1972 wool and mohair applications may be filed in order for producers to receive incentive payments in April, according to J. P. Alvis, Jr., chairman of the Appomattox County Agricultural Stabilization and Conservation (ASC) committee.

To file for incentive payments on 1972 marketings of wool, unshorn lambs, and mohair, a producer need only provide sales documents and fill out a short application form, Mr. Alvis said. Sales documents should include name and address of the seller, date of sale, net weight of wool or mohair sold, number of head and liveweight of unshorn lambs sold, gross and net proceeds, and name, address, and signature of the buyer or the marketing agency making the sale.

The incentive payment price is 72 cents a pound for wool marketings with payments based on a percentage of each producer's returns from sales. The percentage will be that required to raise the national average price received by all producers up to the 72 cents incentive price.

Mohair payments are figured in the same way as wool, with a support of 80.2 cents a pound.

The ASC Committee Chairman also said that the U. S. Department of Agriculture has announced that the wool and mohair payment program will continue unchanged for 1973 , with the same level of incentive prices. These prices are in accordance with the law which requires that support shall be at these levels for each of the three marketing years through 1973.

In Memoriam

IN MEMORY OF MRS. SADIE SHELTON, who passed away December 29, 1969.

Although your smile has gone,
And your hand I cannot touch
I think God for precious memories.
Of the one I loved so much.
It broke my heart to lose you,
But you did not go alone,
For part of me went with you,
The day God called you home.
You know how much I miss you,
Your memory shall never fade.
My thoughts shall ever wonder
To the spot where you were laid.
And looking back with tenderness,
Along the path you trod,
I bless the years I had with you,
And leave the rest to God.

ISSUANCE, DISPLAY AND TRANSFERABILITY OF LICENSE DECAL.

Any person coming under the provisions of this article shall make application for a license before April 1st each year upon forms prescribed by the County Treasurer at the office of the County Treasurer and upon payment of the proper tax and upon the production of satisfactory evidence that the Appomattox County Personal Property tax has been paid in full, each person shall be issued, as evidence of payment of the license tax, a decal. The license decal shall be attached to the inside lower center portion of the vehicle's windshield so as not to block the operator's view and so that it is plainly visible. Failure to display the license decal shall be considered as a violation of this article even though the license tax has been paid. It shall be unlawful for any person to whom a license decal is issued upon the payment of license tax prescribed in this article, unless in compliance with this article, to give, loan, rent, sell, assign or transfer such decal to another motor vehicle or person or to other wise permit another person to use in any manner such decal during any license year in which the license decal is issued.

LOST LICENSE DECAL.

A duplicate license decal shall be issued at a cost of one dollar upon affidavit of the applicant that the original decal issued to that person and issued pursuant to this article, has been lost or destroyed.

Nothing in this article shall be construed to require a license tax of a person exempted under provisions of the State statute.

SALE OR TRANSFER OF LICENSED MOTOR VEHICLE.

Every person having paid the current year's license tax and holding a current motor vehicle license decal and disposing of the motor vehicle for which the license decal was issued, shall be entitled to be issued a new license decal for a replacement motor vehicle upon application to the County Treasurers Office, payment of $1.00 transfer fee and the production to the said Treasurer of the current license decal removed from the windshield of the former motor vehicle.

PRORATION.

After the license tax becomes assessable for that year, only one half of the license tax prescribed by this article shall be assessed and collected, whenever during the period beginning on the first day of October in any year, and ending on the thirty-first day of March in the same license tax year. Each license issued upon the payment of the license tax shall expire at the end of the license tax year in which the same is issued.

REFUNDS FOR UNUSED LICENSE TAX.

Every person holding a current motor vehicle license decal and disposing of the vehicle for which it was issued and not acquiring another vehicle shall be entitled to a refund of one half of the license tax paid by him, upon a surrender, on or before the first day of October of the then current license tax year, of the County license decal and the production of a certificate from the State Motor Vehicle Commission or other proper state officer, that the state license plates and registration certificate have been surrendered. Such a refund shall be made by the Treasurer of the County from the treasury of the County.
